Lift me up:

Discover life at 1,284 metres above the rest of the world: Leave everyday cares below you and allow yourself to delight in the many attractions offered by Freiburg's highest destination. Enjoy the most comfortable and environmentally-friendly ascents up Freiburg's landmark mountain whilst admiring the spectacular panoramic view over Freiburg and the Rhine Valley as far as the blue band of the Vosges.

How to get there:

The journey by bus and tram couldn't be easier: Take tram number 2 from Freiburg to the last stop in Günterstal and then catch the number
